

Level 2 Administration Assistant in Equine or Animal Care

For individuals looking to develop a career in administration within the equine and animal care sectors, this qualification provides a strong foundation in the essential skills needed to support a busy workplace. Participants will develop practical skills in organisation, communication, data handling and digital administration. From managing bookings and appointments to maintaining records, responding to customers and supporting colleagues, apprentices will gain an understanding of the important administrative functions that help equine and animal care businesses operate effectively. The qualification also develops confidence, professionalism and adaptability, preparing individuals to make a valuable contribution to their workplace.

An Administration Assistant will acquire a diverse set of competencies, including:

Knowledge Development

- Understand workplace policies, procedures, legislation and confidentiality requirements
- Understand how information and records should be handled, stored and protected
- Develop knowledge of digital software and systems used for administration
- Understand effective communication methods when working with different stakeholders
- Understand how to organise tasks, manage time and maintain quality in the workplace

Skills Enrichment

- Use digital software and systems to complete a range of administrative tasks
- Process, record and store information and data accurately
- Communicate professionally with colleagues, customers and stakeholders
- Organise and prioritise tasks to meet deadlines and support the wider team
- Identify and report issues, errors or concerns and seek support when required

INVESTORS IN PEOPLE
We invest in people Standard

Functional Skills

Maths and English qualifications are an integral element of the apprenticeship standards.

These are implemented by Haddon Training's dedicated Functional Skills team and will be delivered either as individual or group sessions, depending on the learner's requirements. Functional Skills in maths and English for those aged 16-18 years old are a mandatory part of apprenticeships in England unless learners already hold a qualification in these areas at the required level.

For learners aged 19 and over, Functional Skills are optional.

Functional Skills	
Learners will need to complete:	
English	Level 1
Maths	Level 1

Qualification Overview

To achieve the Level 2 Business Administration Assistant qualification, the learner must complete:

- All mandatory modules.
- All core behaviours.
- The Apprenticeship Assessment, in which all components must be passed.

The apprenticeship is awarded through the successful completion of an Apprenticeship Assessment.

The qualification will take a minimum of 12 months (plus 3 months to complete assessment) to complete, dependent on a learner's prior knowledge and skills recorded on a skill scan and individual learning plan.
